

SECTION 11

ACKNOWLEDGMENTS

Hoverprojects Ltd. wish to acknowledge the assistance received in the preparation of this report from all the companies whose products or activities have been mentioned. This assistance not only took the form of the data and photographs, which form an essential part of the report, and of correspondence, but also of receiving Hoverprojects' personnel in their works and laboratories and of providing valuable information in the course of discussion. In this latter respect Hoverprojects are especially indebted to

Herr Felix Wankel
Audi NSU Auto Union AG
Fichtel & Sachs AG
Daimler-Benz AG
B.S.A. Group Research Centre
Hovermarine Transport Ltd.
Cushioncraft Ltd.

Although he formed part of the Hoverprojects team for the purposes of this study, special mention must be made of the invaluable help received from Mr R.F. Ansdale, C.Eng., M.I.Mech.E., M.S.A.E. and the guidance he provided from his specialised knowledge of the subject.

All opinions expressed in this report are those of Hoverprojects, unless otherwise stated in the text.
